

FREDDIE JAMES PROJECT

BIOGRAPHY

Performance profile

ENERGY • STYLE • INTERNATIONAL EXPERIENCE

A dynamic live project from Montreal

Freddie James Project have been together for twelve years now. The group was founded in Montreal, and the six band members come from different musical experiences.

12 YEARS

together as a project

6 MEMBERS

diverse musical backgrounds

WORLDWIDE

Asia • Middle East • USA •
Canada

Freddie James Project has been dazzling the world over with their smooth singing styles, boundless energy, and the ability to virtually hold a crowd in the palm of their hands.

The band has been touring throughout Asia and the Middle East, as well as the United States and Canada, and have accepted invitations to perform for special events.

When you attend a performance, you feel all the energy that they release.
