A COMPLETE LIVE DUO EXPERIENCE

[Artist biography](#)

Double Trouble is a fresh musical duo formed in Jakarta in 2018 by Indonesian singer Ardita Ambarita and Italian guitarist Claudio Tomasello. Their music brings together current chart favourites and classics from past decades in a soulful, cheerful style.

The duo can deliver an intimate stripped-down performance with guitar and vocals or a high-energy show supported by backing tracks. This flexibility allows Double Trouble to adapt naturally to lounges, hotels, beach venues, private events and dancing crowds.
