KANDY SKY DUO

Elegant lounge style, current hits and dance energy

INTERNATIONAL LIVE ENTERTAINMENT

RETRO JAZZ WITH A MODERN PULSE

[Artist biography](#)

Kandy Sky Duo is a female-fronted international act combining live vocals, saxophone and DJ performance. Their polished concept blends the glamour of retro jazz with familiar pop, soul, lounge and electronic music, creating a stylish soundtrack for sophisticated venues.

The duo moves naturally from soft jazz and relaxed background music to commercial covers, soulful house and upbeat dance sets. Vintage-inspired presentation, elegant stage attire and modern musical production give the show a distinctive visual and musical identity.

THE ARTISTS BEHIND KANDY SKY

Live musicianship and contemporary DJ versatility

KOSTA SORENTO

SAXOPHONE • DJ

Kosta is a professional saxophonist and DJ with around two decades of experience. His international career includes performances in London, Bangkok, Nice, Hong Kong, Australia and Italy. His musical range moves from romantic saxophone favourites and smooth jazz to house, deep house, R&B, disco, funk, rock and retro dance music.

TORI KAWAI

LEAD VOCALS • DJ

Tori trained in a music-school vocal programme and brings extensive restaurant, club and hospitality experience. She has performed in Bangkok, Hong Kong, Cyprus, Australia, Shanghai, Italy and South Korea, delivering a confident vocal presence across jazz, pop, soul, lounge and dance-oriented material.

03

PERFORMANCE CHARACTER

Kandy Sky can provide elegant background music for guest arrivals and dining, a featured live vocal-and-saxophone performance, or a more energetic DJ-led set for evening audiences.

04

INTERNATIONAL EXPERIENCE

The duo has appeared for corporate events, VIP parties, wedding receptions, five-star hotels, restaurants, bars and nightclubs across Europe, Asia and Australia.
